

GIDEON MEN APPLICATION FORM

I have read the 24 Year Plan and I am in basic agreement with its strategy and goals. I believe that God is leading me to become one of the Plan's 300 Gideon Men therefore I am submitting this application. I am eager to take a responsible leadership role in my city/county area to rebuild America upon the biblical principles of her Founding Fathers starting with my own local area and am hoping we can make major, godly changes in America before I die. If I am accepted as one of the Gideon Men, I will give as much energy and time to leading others in this task as God allows me to give in relation to my other responsibilities and service to God. I am willing to die for the cause of advancing the Kingdom of God on earth if God so wills it.

1. I am in hearty agreement with your Four Foundational Documents:
 - a. The ICBI Chicago Statement on Biblical Inerrancy
 - b. The 42 Articles on Historic Christian Doctrine
 - c. The 25 Articles on the Kingdom of God
 - d. The Manifesto for the Christian Church. (View these at www.Reformation.net.)
2. I am ready to be questioned on my knowledge of American's Christian history, principles of biblical government, the U.S. Constitution and the faith of our Founding Fathers, or....I am in the process of reading:
 - 1) DeMar's God and Government and
 - 2) America's Providential History by Beliles and McDowell or Foster's The American Covenant.
3. I regularly feed myself on God's written Word without having to be pushed by others.
4. I am willing to be held accountable for living in obedience to the Bible by others and will accept Matt. 18 confrontation humbly if others mention unbiblical areas in my own life.
5. I am like the men mentioned in Ezek. 9:4 who "sigh and groan over all the abominations being committed in the midst of our cities". In my heart I have a felt burden from God to change our society into a God-fearing, God-honoring civilization and away from it's present sick, sinful and self-destructive condition.
6. I either now am an elder or deacon in my church, or my church's leadership will tell you that I qualify to be an elder or deacon according to I Tim. 3 standards if you ask them.
7. You have my permission to ask my church's leadership and my friends and family about their impression of my personal integrity, godliness, humility and responsibility etc.
8. Starting in 2009, I will attend the annual Regional Meeting and the annual National meeting of the 24 Year Plan team members and participate in the monthly conference call for regular communications and strategy.
9. I will keep a constant lookout for other men who could possibly become Gideon Men or one of the 7000 City Team Members "who have not bowed the knee to Baal".
